ML Matching Test Report

Table of Contents

1. **Student:** Aisha Mwangi — **Opportunity:** AI & Data Science Internship
2. **Student:** Aisha Mwangi — **Opportunity:** SBL Data Science Project
3. **Student:** Aisha Mwangi — **Opportunity:** Frontend Developer Internship
4. **Student:** Aisha Mwangi — **Opportunity:** Business Data Analyst
5. **Student:** Aisha Mwangi — **Opportunity:** Healthcare Analytics Intern
6. **Student:** Alice Kimani — **Opportunity:** AI & Data Science Internship
7. **Student:** Alice Kimani — **Opportunity:** SBL Data Science Project
8. **Student:** Alice Kimani — **Opportunity:** Frontend Developer Internship
9. **Student:** Alice Kimani — **Opportunity:** Business Data Analyst
10. **Student:** Alice Kimani — **Opportunity:** Healthcare Analytics Intern

Report #1

Student

Name: Aisha Mwangi
Course: Computer Science
Academic Field: Data Science
GPA: 3.8
Interests: AI, analytics, cloud, Python
Activities: Hackathons, research, open source
Organizations: IEEE, Google DSC
Skills: Cloud | Data Science | Python | Mechatronics | Linux | AI

Opportunity

Title: AI & Data Science Internship
Industry: Technology
Min GPA: 3.8
Interests: AI, Data Science, Python
Activities: Hackathons, research, open source
Organizations: Data Science Society
Skills: Data Science | Python | Automation | Linux | Teamwork | AI

ML Scores

Random Forest	TFIDF	LogReg

60	86.84	23.21

XAI & Feature Matches

Feature	Matched	Missing
Skills	data science, python, linux, ai	automation, teamwork
Course	Computer Science	None
Year	4	None
University	University of Nairobi	None
Academic Field	Data Science	None
Gpa	3.8	None
Interests	ai, python	data science

> Strong candidate for this role. Skills partial match: data science, python, linux, ai. Missing: automation, teamwork; Course matched: Computer Science; Year matched: 4; University matched: University of Nairobi; Academic Field matched: Data Science; GPA matched: 3.8; Interests partial match: ai, python. Missing: data science. Profile: Computer Science, Data Science, 3.8, 4, University of Nairobi, AI, analytics, cloud, Python.

Test Status

All assertions passed.

Report #2

Student

Name: **Aisha Mwangi**
Course: **Computer Science**
Academic Field: **Data Science**

GPA: **3.8**
Interests: **AI, analytics, cloud, Python**
Activities: **Hackathons, research, open source**
Organizations: **IEEE, Google DSC**
Skills: Cloud | Data Science | Python | Mechatronics | Linux | AI

Opportunity

Title: **SBL Data Science Project**
Industry: **Technology**
Min GPA: **3.8**
Interests: **AI, Data Science, Python**
Activities: **Hackathons, research, open source**
Organizations: **Nairobi Tech Hub**
Skills: Data Science | Cybersecurity | Python | Linux | Devops | AI

ML Scores

Random Forest	TFIDF	LogReg
54.67	84.1	22.04

XAI & Feature Matches

Feature	Matched	Missing
Skills	data science, python, linux, ai	cybersecurity, devops
Course	Computer Science	None
Year	4	None
University	University of Nairobi	None
Academic Field	Data Science	None
Gpa	3.8	None
Interests	ai, python	data science

> Moderate match. The applicant covers several important areas. Skills partial match: data science, python, linux, ai. Missing: cybersecurity, devops; Course matched: Computer

> Science; Year matched: 4; University matched: University of Nairobi; Academic Field matched: Data Science; GPA matched: 3.8; Interests partial match: ai, python. Missing: data science. Profile: Computer Science, Data Science, 3.8, 4, University of Nairobi, AI, analytics, cloud, Python.

Test Status

All assertions passed.

Report #3

Student

Name: Aisha Mwangi
Course: Computer Science
Academic Field: Data Science
GPA: 3.8
Interests: AI, analytics, cloud, Python
Activities: Hackathons, research, open source
Organizations: IEEE, Google DSC
Skills: Cloud | Data Science | Python | Mechatronics | Linux | AI

Opportunity

Title: Frontend Developer Internship
Industry: Technology
Min GPA: 3
Interests: AI, Data Science, Python
Activities: Hackathons, research, open source
Organizations: Creative Design Studio
Skills: Cloud | Data Science | Figma | React | AI

ML Scores

Random Forest	TFIDF	LogReg
46	70.99	22.35

XAI & Feature Matches

Feature	Matched	Missing

Skills	cloud, data science, ai	figma, react
Course	None	Software Engineering
Year	None	3
University	None	Strathmore University
Academic Field	None	Web Development
Gpa	None	3
Interests	ai, python	data science

Moderate match. The applicant covers several important areas. Skills partial match: cloud, data science, ai. Missing: figma, react; Course missing: Software Engineering; Year missing: 3; University missing: Strathmore University; Academic Field missing: Web Development; GPA missing: 3; Interests partial match: ai, python. Missing: data science. Profile: Computer Science, Data Science, 3.8, 4, University of Nairobi, AI, analytics, cloud, Python.

Test Status

All assertions passed.

Report #4

Student

Name: Aisha Mwangi
Course: Computer Science
Academic Field: Data Science
GPA: 3.8
Interests: AI, analytics, cloud, Python
Activities: Hackathons, research, open source
Organizations: IEEE, Google DSC
Skills: Cloud, Data Science, Python, Mechatronics, Linux, AI

Opportunity

Title: Business Data Analyst
Industry: Business
Min GPA: 3.5

Interests: **AI, Data Science, Python**
Activities: **Hackathons, research, open source**
Organizations: **Smart Logistics Ltd**
Skills: Figma R React Teamwork AI

ML Scores

Random Forest	TFIDF	LogReg
56	55.31	23.13

XAI & Feature Matches

Feature	Matched	Missing
Skills	ai	figma r react teamwork
Course	None	Business Analytics
Year	4	None
University	None	Kenyatta University
Academic Field	None	Data Analytics
Gpa	None	3.5
Interests	ai python	data science

Decent fit—some requirements are met. Skills partial match: ai. Missing: figma, r, react, teamwork; Course missing: Business Analytics; Year matched: 4; University missing: Kenyatta University; Academic Field missing: Data Analytics; GPA missing: 3.5; Interests partial match: ai, python. Missing: data science. Profile: Computer Science, Data Science, 3.8, 4, University of Nairobi, AI, analytics, cloud, Python.

Test Status

All assertions passed.

Report #5

Student

Name: Aisha Mwangi
Course: Computer Science
Academic Field: Data Science
GPA: 3.8
Interests: AI, analytics, cloud, Python
Activities: Hackathons, research, open source
Organizations: IEEE, Google DSC
Skills: Cloud | Data Science | Python | Mechatronics | Linux | AI

Opportunity

Title: Healthcare Analytics Intern
Industry: Healthcare
Min GPA: 3
Interests: AI, Data Science, Python
Activities: Hackathons, research, open source
Organizations: Kenya Health Innovators
Skills: Cloud | Python | React | SQL | Cloud Computing

ML Scores

Random Forest	TFIDF	LogReg
44	75.41	22.59

XAI & Feature Matches

Feature	Matched	Missing
Skills	cloud, python	react, sql, cloud computing
Course	None	Health Informatics
Year	None	3
University	None	Moi University
Academic Field	None	Healthcare Analytics

Gpa	None	3
Interests	ai python	data science

This applicant could contribute, but may need to develop further. Skills partial match: cloud, python. Missing: react, sql, cloud computing; Course missing: Health Informatics; Year missing: 3; University missing: Moi University; Academic Field missing: Healthcare Analytics; GPA missing: 3; Interests partial match: ai, python. Missing: data science. Profile: Computer Science, Data Science, 3.8, 4, University of Nairobi, AI, analytics, cloud, Python.

Test Status

All assertions passed.

Report #6

Student

Name: Alice Kimani
Course: Computer Science
Academic Field: Artificial Intelligence
GPA: 3.8
Interests: DevOps, Linux, web development
Activities: DevOps meetups, cloud labs
Organizations: Linux Foundation
Skills: Python Automation Linux AI

Opportunity

Title: AI & Data Science Internship
Industry: Technology
Min GPA: 3.8
Interests: AI, Data Science, Python
Activities: Hackathons, research, open source
Organizations: Data Science Society
Skills: Data Science Python Automation Linux Teamwork AI

ML Scores

Random Forest	TFIDF	LogReg
14	31.64	21.1

XAI & Feature Matches

Feature	Matched	Missing
Skills	python, automation, linux, ai	data science, teamwork
Course	Computer Science	None
Year	4	None
University	University of Nairobi	None
Academic Field	None	Data Science
Gpa	3.8	None
Interests	None	ai, data science, python

Few requirements met—consider upskilling for a better fit. Skills partial match: python, automation, linux, ai. Missing: data science, teamwork; Course matched: Computer Science; Year matched: 4; University matched: University of Nairobi; Academic Field missing: Data Science; GPA matched: 3.8; Interests missing: ai, data science, python. Profile: Computer Science, Artificial Intelligence, 3.8, 4, University of Nairobi, DevOps, Linux, web development.

Test Status

All assertions passed.

Report #7

Student

Name: **Alice Kimani**
Course: **Computer Science**
Academic Field: **Artificial Intelligence**
GPA: **3.8**

Interests: **DevOps, Linux, web development**
Activities: **DevOps meetups, cloud labs**
Organizations: **Linux Foundation**
Skills: Python Automation Linux AI

Opportunity

Title: **SBL Data Science Project**
Industry: **Technology**
Min GPA: **3.8**
Interests: **AI, Data Science, Python**
Activities: **Hackathons, research, open source**
Organizations: **Nairobi Tech Hub**
Skills: Data Science Cybersecurity Python Linux Devops AI

ML Scores

Random Forest	TFIDF	LogReg
14	40.22	20.01

XAI & Feature Matches

Feature	Matched	Missing
Skills	python linux ai	data science cybersecurity devops
Course	Computer Science	None
Year	4	None
University	University of Nairobi	None
Academic Field	None	Data Science
Gpa	3.8	None
Interests	None	ai data science python

Low match. The applicant may need to improve their profile. Skills partial match: python, linux, ai. Missing: data science, cybersecurity, devops; Course matched: Computer Science;

> Year matched: 4; University matched: University of Nairobi; Academic Field missing: Data Science; GPA matched: 3.8; Interests missing: ai, data science, python. Profile: Computer Science, Artificial Intelligence, 3.8, 4, University of Nairobi, DevOps, Linux, web development.

Test Status

All assertions passed.

Report #8

Student

Name: Alice Kimani
Course: Computer Science
Academic Field: Artificial Intelligence
GPA: 3.8
Interests: DevOps, Linux, web development
Activities: DevOps meetups, cloud labs
Organizations: Linux Foundation
Skills: Python Automation Linux AI

Opportunity

Title: Frontend Developer Internship
Industry: Technology
Min GPA: 3
Interests: AI, Data Science, Python
Activities: Hackathons, research, open source
Organizations: Creative Design Studio
Skills: Cloud Data Science Figma React AI

ML Scores

Random Forest	TFIDF	LogReg
26	37.32	20.3

XAI & Feature Matches

Feature	Matched	Missing

Skills	ai	cloud, data science, figma, react
Course	None	Software Engineering
Year	None	3
University	None	Strathmore University
Academic Field	None	Web Development
Gpa	None	3
Interests	None	ai, data science, python

Low match. The applicant may need to improve their profile. Skills partial match: ai. Missing: cloud, data science, figma, react; Course missing: Software Engineering; Year missing: 3; University missing: Strathmore University; Academic Field missing: Web Development; GPA missing: 3; Interests missing: ai, data science, python. Profile: Computer Science, Artificial Intelligence, 3.8, 4, University of Nairobi, DevOps, Linux, web development.

Test Status

All assertions passed.

Report #9

Student

Name: Alice Kimani
Course: Computer Science
Academic Field: Artificial Intelligence
GPA: 3.8
Interests: DevOps, Linux, web development
Activities: DevOps meetups, cloud labs
Organizations: Linux Foundation
Skills: Python, Automation, Linux, AI

Opportunity

Title: Business Data Analyst
Industry: Business
Min GPA: 3.5

Interests: **AI, Data Science, Python**
Activities: **Hackathons, research, open source**
Organizations: **Smart Logistics Ltd**
Skills: Figma R React Teamwork AI

ML Scores

Random Forest	TFIDF	LogReg
28	17.11	21.02

XAI & Feature Matches

Feature	Matched	Missing
Skills	ai	figma r react teamwork
Course	None	Business Analytics
Year	4	None
University	None	Kenyatta University
Academic Field	None	Data Analytics
Gpa	None	3.5
Interests	None	ai data science python

Low match. The applicant may need to improve their profile. Skills partial match: ai. Missing: figma, r, react, teamwork; Course missing: Business Analytics; Year matched: 4; University missing: Kenyatta University; Academic Field missing: Data Analytics; GPA missing: 3.5; Interests missing: ai, data science, python. Profile: Computer Science, Artificial Intelligence, 3.8, 4, University of Nairobi, DevOps, Linux, web development.

Test Status

All assertions passed.

Report #10

Student

Name: Alice Kimani
Course: Computer Science
Academic Field: Artificial Intelligence
GPA: 3.8
Interests: DevOps, Linux, web development
Activities: DevOps meetups, cloud labs
Organizations: Linux Foundation
Skills: Python Automation Linux AI

Opportunity

Title: Healthcare Analytics Intern
Industry: Healthcare
Min GPA: 3
Interests: AI, Data Science, Python
Activities: Hackathons, research, open source
Organizations: Kenya Health Innovators
Skills: Cloud Python React SQL Cloud Computing

ML Scores

Random Forest	TFIDF	LogReg
18	24.98	20.52

XAI & Feature Matches

Feature	Matched	Missing
Skills	python	cloud react sql cloud computing
Course	None	Health Informatics
Year	None	3
University	None	Moi University
Academic Field	None	Healthcare Analytics
